JUNE 2021

Director's Desk...

SUMMER, WOO HOO!!!
Don't you just love this season! Long, sunny, warm days with all the fun things that go along with this: boating, swimming, fishing, gardening, eating fresh home grown produce, camping, smores, fire flies, hiking, biking, sandy beaches, vacations, etc.

The return of our Summer School Agers is another thing to celebrate in June! We welcome them back along with a welcome to some brand new friends joining this group. Glad you can be with us!

Good luck and God bless to all of the boys and girls and their families who will be moving on to new adventures. It's been an honor and a privilege to have you as part of the Great Beginnings family. We will miss you and hope you stop by once in a while to tell us all of your new adventures.

Amy Bartlett

HAPPY FATHER'S DAY to all our amazing Dads and Grandpas! Your love, care and time makes all the difference in their life. All that you give them shows in the person they will become. God has given you an amazing gift - being a DAD! And you're so very good at it too—thanks!

At this time we will continue to mask, take temps and escort boys and girls to and from the classroom. Depending on how things are trending in our area, we may lift some of these practices. We so look forward to having parents in the classrooms once again.

Young Infants

June is always a bittersweet month. Some of our friends will be saying goodbye for the summer. Goodbye and see you soon to Julia & Chase. We say congratulations to Teddy, Mason, Meredith, Madelyn and Sriyann who are being promoted to the older infant room. They are ready to spread their wings and

toddle into older infancy. We are sad to see them go but so happy they are ready to advance to their next phase of growth and development.

We want to welcome Aurelia, Willie and Scarlett to the younger infant room. They are just fresh hatchlings to the world and our program. God has created

Miss Ann

Miracles to love and care for. Remi, Cecilia and Wiley will continue to be the leaders and big kiddos in the room.

Have a great month and please let us know if you will be on vacation.

XOXO

The Younger Infants

Older Infant

Goodbye Spring and Hello Summer!

This month we will be saying goodbye to the new Young toddler group and hello to the new Older infants. We will miss them, and wish them the best of luck on their toddler adventures.

We are welcoming Teddy, Mason, Meredith, Madelyn and Sriyaan to the Older Infant classroom. We have lots of fun activities planned

Miss Loren

for this summer, and will be outside as much as possible. Please make sure your child has shoes and maybe even hats to keep their little heads safe from the sun.

It doesn't seem possible that this group is ready for older infants already. The time has gone by so fast, but Miss Emily and I are looking forward to getting to know each one of our new friends.

Have a great start to your summer!

Toddlers

Happy Fathers Day to all our awesome dads. We appreciate all the fun and cool stuff you do with us and all the hard work you do. We love you! We hope you enjoy your special day and get to relax and take a deep breath, you deserve it.

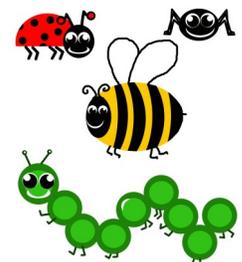

This month our theme is going to be about insects & bugs. I'm hoping it starts to warm up a little so the little critters will come out so the friends can see them.

This is the month, on June 7th, of move ups. We will be moving up 3 from the Older Toddler room to the 3 Year old room, Greysen, Wyatt C. and Everett. We will miss our silly boys but we are sending them up to loving arms in Miss Jacky and Miss Diane. We will be having a move up from Older Infants to Toddlers: Hussain, Maverick, Riley, Sloane, Kendal, Cole and Waverly. The little friends have been joining us outside in the playground and they are

Miss De

enjoying it. They also have spent time in the classroom. Miss Alex has brought a group over and they have spent the morning with Miss Cindy and Miss Alex. Miss Alex will be coming back to the toddlers with the friends that are moving up. We are looking forward to the day when you will be able to come back to the rooms.

Well we wish you joy, peace, fun and health this month. God bless you and your families.

Threes

Happy June! It is almost officially the start of the Summer Season! I sure hope it lasts a while with a lot of sunny warm days to enjoy. A note has been sent home to each friend in our room so you can send a few things to keep in your child's cubby to be able to enjoy the summer fun. If you have any questions please let Jacky know. If you can label your child's things we would certainly appreciate it! Thank you in advance!

During June, we will be enjoying some things that go along with summer such as, bubbles, bikes, water fun, popsicles, sidewalk chalk fun etc... We will also

learn about and explore Bugs and Creepy Crawly Critters. We will share some magnifying glasses and bug boxes to see what we might spy outside.

We will also spend some time listening to several books by Eric Carle such as The Very Busy Spider, The Very Hun-

Miss Di

gery Caterpillar, and a few others. Some other activities will be included in this theme.

We want to welcome our new friends and families to our room! We are so happy to have you as a part of our class and look forward to getting to know more about you.

Happy Father's Day to all our Dads! Have a blessed day with your family.

Have a great month,

Miss Di

Happy June Birthdays
Wyatt and Everett!
