

## Parents of Infants Reminders

1. Please label everything with your child's name. Bib's, diaper bags, sheets, blankets and pacifiers. This will help prevent them from getting misplaced.
2. Great Beginnings provides diaper wipes, rice cereal, bowls and infant spoons.
3. Please keep an extra set of clothes in your child's cubby or diaper bag at all times.
4. Please sign your child in and out each day. If someone other than the parents is picking up your child, we request that you fill out a "Child Release Form". We WILL ask for a picture ID from that person picking up your child.
5. We have an "Open Door Policy". Parents, grandparents, aunts and uncles are welcome to come and visit any time during the day. Anyone other than the parents will be ID'd and must be named on the child information card.
6. Each bottle and baby food jar has to have your child's name and date on them. Unused bottles must be taken home each night and baby food opened at the Center must be used within 36 hours and any unused portion will be discarded. These are State Regulations.
7. Please check to see if your child needs more diapers. We try to keep you informed when your child is running low.
8. We encourage you to keep diaper cream, teething gel, gas drops and a fever/ pain reducer (Infant Tylenol/ Infant Motrin) with a signed medication form at the Center.
9. You will receive an "All About My Day" information sheet when picking up your child each night.
10. All children are taken outdoors on a daily basis, weather permitting. Parents are advised to provide outside clothing for their children.
11. In the young infant room, your child needs a sheet (porta-crib size) and a small blanket for naps. They will be sent home each week to be washed. Please send several small cloth bibs for bottle time and drooling.
12. In the older infant room, your child will need a large plastic bib for snacks & lunch. We will keep it here and wash it. Your child will need a small blanket for naptime.
