

Parents of Toddlers Reminders

1. We prefer breakfast be eaten at home, but if this is not possible, it can be brought in by the parent no later than 8:00.
2. Your child will need a bib for lunch/snacks.
3. He/she will need a small blanket (which will be sent home to be washed each week).
4. He/she will need at least 1 extra set of clothes, (6) plastic/rubber pants, training pants, if they are going through the toilet learning process.
5. If someone other than the parent will be picking up the child we will need a release form filled out.
6. If your child will be absent please notify us by 7:30 A.M. or the day before, so we can notify our staff.
7. Please label your child's belongings. It is helpful when articles do get misplaced.
8. Please leave toys home. It is difficult for toddlers to share.
